THE CAN'T-MISS, MUST-DO PLACES TO EAT, SHOP, PARTY AND GET SMART - **THIS WEEK!**

## EAT NOW!

Brad A. Johnson's pick of the week! Set the alarm, wake up early and get in line for a Prosecco Mimosa. The Westside's Rustic Canyon wine bar has always had a way with the tippie, and now they've added breakfast. They've done away with table service for the morning shift, so you'll have to stand in line and order at the counter, but pastry chef Zoe Nathan makes the hassle worthwhile. Her lemon-pistachio muffins are like mouthfuls of sunshine. The burrata cheese and roasted tomato sandwich is excellent, too.

### **The Runner-Up**

Top toque Alain Giraud's long-awaited Anisette finally arrives this week. And it's about time! The French brasserie began serving breakfast yesterday (think: Brioche French toast or eggs benedict), with lunch and dinner to follow in the coming days. 225 Santa Monica Blvd., Santa Monica, 310.395.3200.
